Hello Mr. Pugh,

The following is a link to the Southern Utah News public notice of the proposed Coal Hollow Mine.

<http://www.arcasearch.com/usutR/tnetnoc/pdfs/2008-01-2008-02-2008-03-/sun/sun-2008-03-26-0-018.pdf>

The public comment period will extend 30 days after the last publication date (April 16).

An electronic version of the application can be viewed on our web site at the following link.

You will need to log in with a user name and password - ogmquest (for both).

<https://fs.ogm.utah.gov/FILES/COAL/PERMITS/025/C0250005/2008/INCOMING/03202008/>

The application may is now under technical review by Division staff. If you have questions about the process or the application, feel free to call.
